Our Services

With the vision of providing superior construction service in the region Das Contracting Bahraini Partnership Company was established in Salmabad in February 2005.

True to its philosophy, Das Contracting Bahraini Partnership Company is capable of carrying out design, execution, and maintenance of all building components – structural, special construction, finishing, electrical, air conditioning, plumbing, interior decoration, external and all other related works – for both conventional and turnkey projects. Our in-house capability to design and execute all activities related to the construction Industry, from pre-tendering conceptual stage to handover and the defects liability period is a feature that distinguishes Das Contracting Bahraini Partnership Company from most of the companies.

Health and Safety : Safety is one of the company's core values; therefore tremendous emphasis is given to the health and safety of workers. Well trained safety officers are appointed and allocated responsibility for training the project team. They are capable of handling any emergencies.

About DAS Contracting

We will offer excellent quality construction service to our clients by utilizing the best available technology and well trained manpower from project conceptualization to project completion and maintenance. Our service will surpass their expectations and will set the benchmark for our competitors.

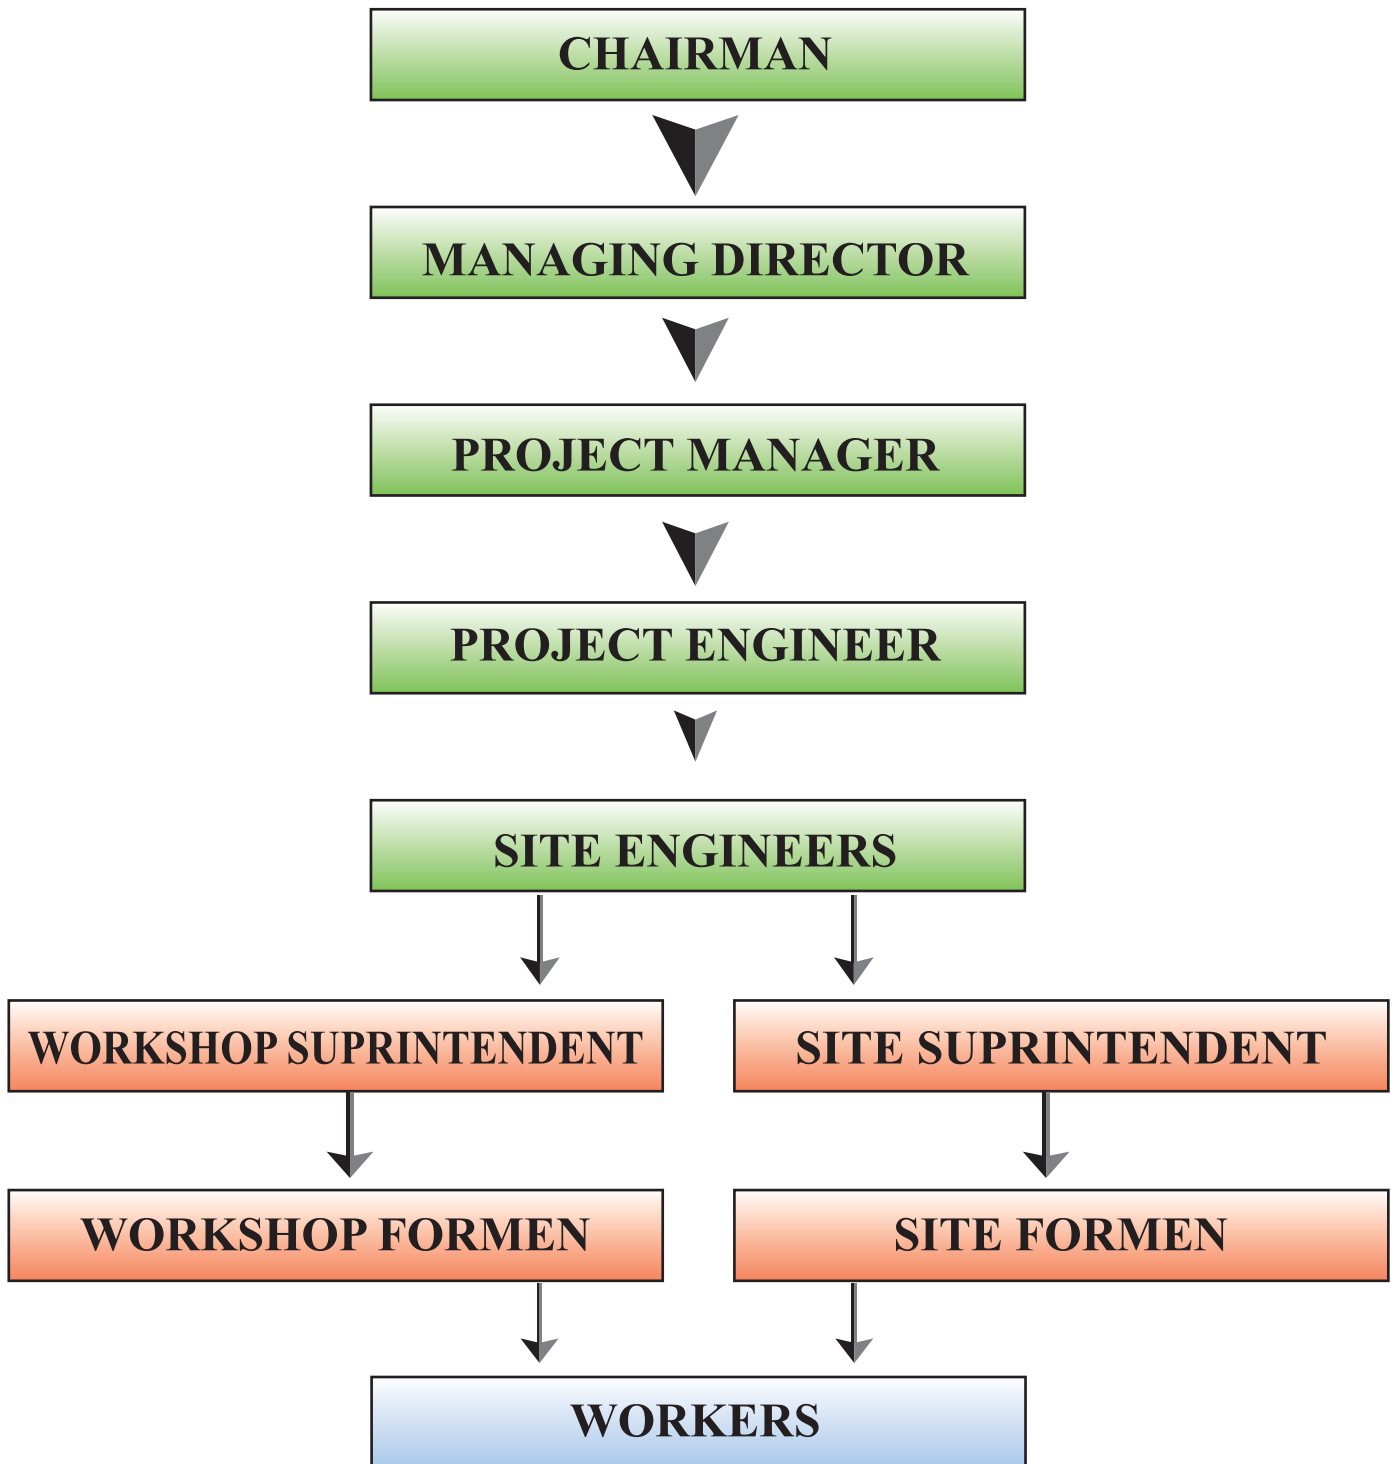

We support the innovation and creativity of our staff. We believe that their success as individuals is the foundation of our success as a company. Therefore we will uphold their welfare, nurture their talents, encourage their progress and preserve their health and well being.

We will preserve the environment and our natural resources. We will use our knowledge and skills to reduce pollution, eliminate hazardous practices and decrease wastage. We will utilize our resources wisely in hopes of a cleaner and greener future.

We believe that our success should benefit the community and that our prosperity should buoy the local economy. We will contribute to the development of our location and support its trade, integrate our business with its industries, and support its initiatives.

Das Specialization in Mechanical, Electrical, Plumbing, Maintenance works for your company.
